

Supporting Homegrown Stars, Library Maker Spaces as Creative Incubators

Scott Mundell
Coordinator,
Ivanhoe Library and Cultural Hub,
Yarra Plenty Regional Library (YPRL)

Yarra Plenty Regional Libraries – where are we?

YPRL is situated in Greater Melbourne, Australia.

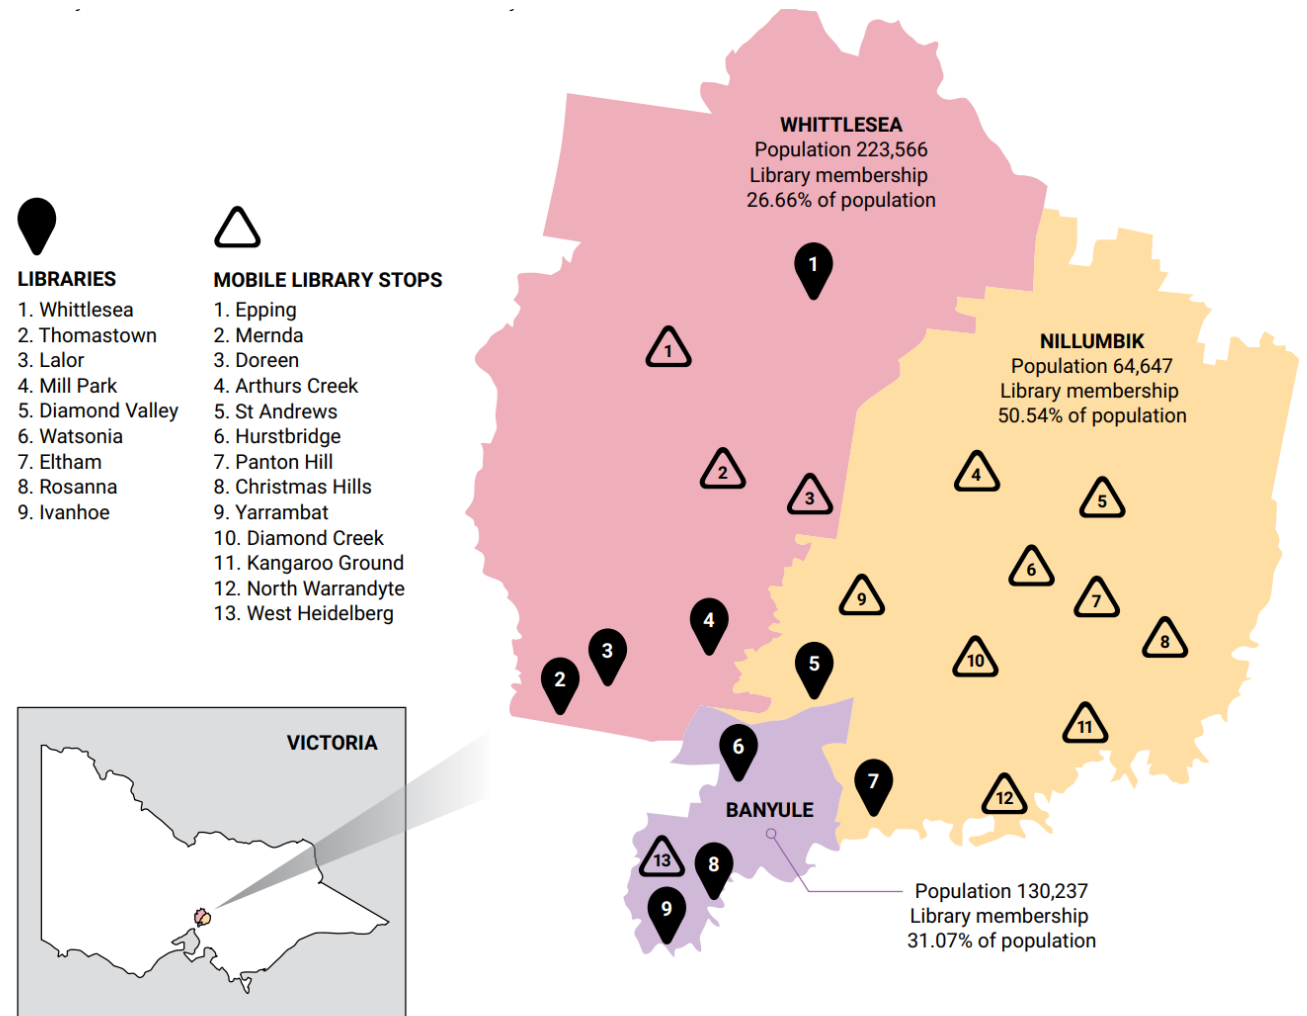

We live here

Yarra Plenty Regional Libraries – who are we?

Deliver Services to:

- Banyule City Council
- City of Whittlesea
- Nillumbik Shire

A woman with dark hair, wearing a floral dress, is shown in profile, focused on painting a dark-colored bowl. She is holding the bowl with both hands. The background is a warm, textured wall. The overall image has a soft, artistic feel.

Creative Economy in the state of Victoria

Victoria is a national leader in visual and performing arts, with more than 10,000 people employed in the film and television sector

Our creative industries were worth \$23 billion in 2019, which is approximately 8% of the local economy

Over 220,000 people are employed in the creative industries across the state

Libraries and the Creative Economy

Supports our **member councils' goals** of:

- Encouraging diverse community groups to engage in the development of the arts and cultural programs
- Developing and growing creative and cultural industries
- Community participation, with an emphasis on diverse cultures and using the arts to realise social outcomes

And supports **YPRL's vision** of:

- Informed creative communities: connected, empowered and well

Principles of a Maker Space

5 Music Rights

- | | | |
|---|---|---|
| THE
RIGHT
FOR
ALL
CHILDREN
AND
ADULTS | 1 | To express themselves musically in all freedom |
| | 2 | To learn musical languages and skills |
| | 3 | To have access to musical involvement through participation, listening, creation, and information |
| THE
RIGHT
FOR
ALL
MUSICAL
ARTISTS | 4 | To develop their artistry and communicate through all media, with proper facilities at their disposal |
| | 5 | To obtain just recognition and fair remuneration for their work |

a place in which people with shared interests, especially in computing or technology, can gather to work on projects while sharing ideas, equipment, and knowledge.

- Play, Learn & Explore
- Informal learning outside of school/work
- Collaboration and sharing of skills
- Develop a culture of creating as opposed to consuming

Podcasting Kit

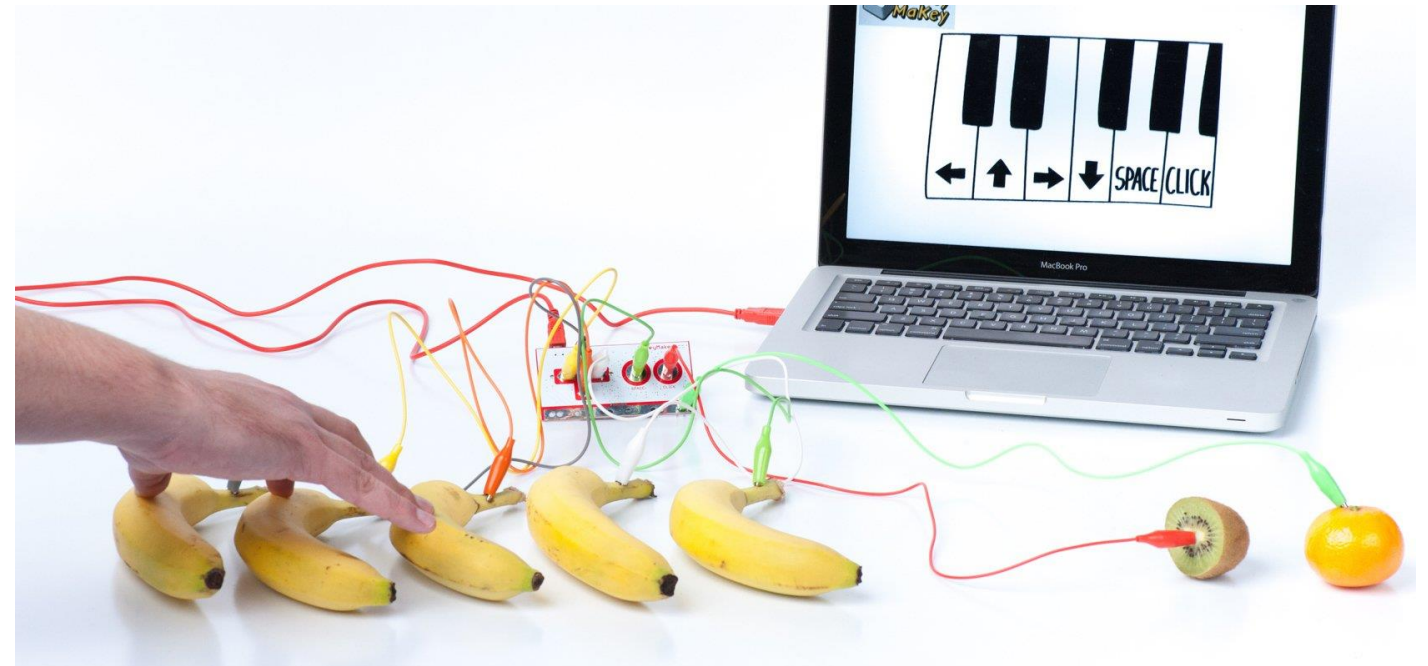

If you've got a great idea for a podcast, we have the gear to help you get started. YPRL has two podcasting kits available to borrow, each containing the equipment you'll need to record, edit, and finish your first podcast: 2 x Microphones, 2 x Monitoring headphones, an audio interface, and an iPad. For more information, check out our podcast blog post.
